

Key Stage 2 Spring 1 Newsletter

Vol.3\February 2022

Multiplication Contest

The competition was held on 13th of February. This competition encouraged our students to memorise their times table. Three winners from each class were chosen

In collaboration with COBIS

KS2 students took part in the Poetry and Art competitions with the theme 'Looking Ahead'. Students' creative work was uploaded to COBIS website this month. School winners were announced and waiting for the COBIS winners

Readathon

EBIS is running a Readathon Sponserd Read, from Monday 24th Feb 2022 - Wednesday 30th March 2022. Readathon encourages children to read for pleasure and help their community.

SEAL Going for Goals

This theme focuses primarily on the key aspects of motivation, with the subsidiary focus on self-awareness. It gives an important opportunity for all children's abilities, qualities and strengths to be valued. It provides Opportunities for the children to reflect on themselves as individuals particularly their strength as learners and how they learn most effectively.

Key Stage 2 Spring 1 Newsletter

Vol.3\February 2022

World Book Day

On Thursday 24th February, children of all ages came together to celebrate reading. They had the chance to dress up as their favourite literary character. The aim of the day was to encourage children to discover the pleasures of books and reading.

Good to Be Green

On Wednesday 23rd February, KS2 celebrated the third 'Good to Be Green' day this year which is a behaviour awareness day directly related to our KS2 behaviour policy. Children came wearing green tops and received their certificates.

Trips

Year 4 attended the Healthy valley, Zumba, and choriographic activities.

Year 5 attended escape room with Go To Know.

Year 6 attended escape room with Go To Know.

TOFAS Academic Achievement test

Some of Key Stage 2 students participated at the TOFAS Academic Achievement test on October 18th, 2021. This test is supported by the Egyptian Ministry of Education. TOFAS is deployed in countries worldwide including Japan and the US. It is an online assessment test that evaluates the 'fundamental academic skills' of the children from a global perspective. Zhou Shao Qi, who achieved more than 85%, was invited by the Minister of Education and the Japanese Ambassador to celebrate his success. There are nine more winners to be announced at a later date.
