'ART OF HEALING'

During the weekend 20.&21.05. Goethe Institute invited students aged 6-12 to take part in the 'art of healing' workshop with the artist Menna Mostafa. The main aim here was to give the students the space to express themselves freely. Menna Mostafa has a firm belief that Art is a channel that can help anyone become the best version of themselves. She said: 'Making art kept me in good mental health in such difficult times of Covid 19. It made much sense to me that I should pass this on and help more individuals obtain the tools they need to self through making art.'

We are happy that the following students participated:

Hana Amr Ali, 7B

Jana Atef Hefny Mahmoud, 7B

Mariam Saleh Abdel Rahman Soliman, 7B

It was an amazing experience for them.

PASCH READING COMPETITION 2022

On Saturday 28th May the yearly German reading competition took place at Goethe Institute. We are really pleased that three of our students have been selected to attend this competition at Goethe Institute:

- 1.) A1 level: Dareen Adel AbdelHamid Salama, year 4C
- 2.) A2 level: Karim Hesham Abdel Maksoud, year 7D
- 3.) B1 level: Ritaj Khaled Iessa, year 7D

There were many students from different PASCH schools, who participated. They all had to deal with the technique of reading aloud as well as the "artistic" aspect of reading aloud. Our students were the youngest there and they had to be so brave to compete against the older colleagues from other schools in Egypt.

They all were so good. We are happy that Karim got the 2nd place at the A2 level. Congratulations!

IMPRESSIONS FROM THE MUSIC CAMP IN GERMANY

On 05.06. the PASCH Choir made its way to Germany to meet the Wolfrathshausener Children's Choir from Germany and the Choir of the Hermann Sudermann Gymnasium from Lithuania. The students spent one week in Kreuth am Tegernsee. Their first joint activity were outdoors on the Wallberg. The Wallberg is a mountain, part of the Bavarian Alps in the south of Bavaria, An exciting trip in typical German Nature. The whole week was an intercultural experience with three choirs from three different countries and languages. The students support each other to learn some phrases of the other language. Of course there were choir rehearsals every day until night. For the last evening, the three choirs gave a great concert in front of a big audience from Wolfrathshausen. Many thanks is going to Mr Ahmed, Music teacher KS3, who travelled with our three EBIS students to this amazing event.

WE PLAYED 'ÄGYGO' IN CLASS

During the Covid 19 pandemic, Goethe Institute was calling for the competition: 'Invent a board game' and EBIS team invented a fantastic learning game. The player is travelling through Egypt and is learning a lot about culture, art and nature. Furthermore the German language will be trained in a fun way. After the exams and before the summer vacation will start we used the time to play with our students this game in class. It is a nice opportunity to practice the German language in a funny and active way.

Our German students enjoyed it so much.

**THE GERMAN DEPARTMENT WISH YOU ALL
AN ENJOYABLE AND RELAXING
SUMMER VACATION.**

WE WILL BE BACK IN SEPTEMBER 2022!
