## YOUTH LANGUAGE CAMP

Our KS3 student Adham Aly Eldlebs hany (now KS4) achieved due to his great result in the A2 language certificate a trip to the Youth Language Camp in August 2022. The international student group came from a wide variety of countries - from Uzbekistan to Senegal and Japan to El Salvador. The cultures of the participants are as diverse as the activities offered in the youth course in Pforzheim. There were German lessons every day and the participants could then choose between various activities. An improvisational theatre, various games and of course football on the sports field on site were offered. The visits and excursions to special sights made the trip a special experience for Adham. We are so proud of him!

## GERMAN TRADITION 'LANTERN FESTIVAL'

The Lantern Festival is a custom in Germany. The Goethe Institute invited us to celebrate this festival together with other PASCH schools. In November 2022, all the children paraded through the courtyard and garden of the Goethe Institute with home-made lanterns and sang Martinslieder and Lantern Songs.

Our year 3 German students made the famous children's figure 'Bakar' as a lantern to also show some Egyptian culture at this festival.

# GERMAN TEACHERS DAY

TRAINING EVENTS FOR EVERYONE WHO IS CONSTANTLY HUNGRY FOR NEWS FOR GERMAN LESSONS.

The Goethe-Institute organizes a German Teachers' Day for everyone who is constantly hungry for news about German lessons. The German Teachers' Day has become an integral part of the Goethe-Institut's calendar of events in recent years. German teacher days have a different motto every year and always tie in with the focus of the work of the language department. The aim of these advanced training events is to inform German teachers from all over Egypt in numerous workshops about the latest trends in methodology and didactics in the DaF area and to give them new impulses and suggestions for attractive and creative German lessons.

Our team of teachers was there too and our dear colleague Ayatullah won the raffle.

## EVENT 'TEACHERS OF THE YEAR' & CONCERT

We are happy that the following EBIS teachers are nominated at the PASCH AWARD ceremony 2022:
