

Key Stage 2

Autumn 2 Newsletter

Message from Mrs. Yasmin

This is to celebrate the end of the Autumn term. I would like to thank our KS2 outstanding teachers and staff for their hard work and dedication. All objectives of this term were met and to the best quality. I would also like to thank all parents for supporting their children.

Golden Time

The golden rules and Golden time are a fundamental duo! Together they provide a positive behaviour and sanctions system that couple with behaviour guidelines that are based on moral values.

Golden Time Activities

Electronics, Cooking, Personal Hygiene and Table Manners, Football, Movies, Board Games, Character Building session, Scrap Book, Naughty Scientist, Positive Behaviour session, Crafts and Origami.

EBIS Charity Day

Donating is a selfless act. One of the major positive effects of donating is simply feeling good about giving. It is important that we enable our children to understand and feel a sense of generosity through contributing to those in need.

On Thursday 1st of December, EBIS held a Non-uniform Day aiming to provide ICU beds for the new ER rooms in Demerdash hospital which is currently under construction.

Trips

"One lesson outdoors is worth seven inside" Tim Brighouse, British educator.

KS2 Students celebrated the end of term by attending the Disney on Ice trip

Year 6: Makan for knowledge and life skills.

Our field trips are carefully selected to complement our educational objectives and broaden our students' knowledge.

Sports Events

Students U11 and U13 competed against other BSME schools (football and basketball).

SEAL

This half-term our SEAL topic was 'Say No To Bullying'. This theme focuses on bullying- What it is; how it feels; Why people bully; how we can prevent and respond to it and how children can use their social, emotional and behavioral skills to tackle this crucial problem.

The second topic was 'Getting on and falling out' which focuses on developing children's knowledge, understanding and skills in three key social and emotional aspects of learning: empathy, managing feelings (with a focus of anger) and social skills.

Assembly

Assembly takes place every Sunday. Certificates are given to students every week to reward their efforts: English award, Maths award, Reading award, Star of the week award, Homework award, Best class and Tidiest class awards. Also, Certificates of Achievement are given to students who were able to show great success in different fields.

Our students of 3C, 3D, 6C, 6D and 6E were able to show their different talents! This linked to our SEAL Topic "Say No To Bullying".

Events

Remembrance Day

Pupils observed a minute's silence for Remembrance Day.

Cop 27

During their art lessons, pupils prepared a group project that is displayed in KS2 corridors. Also, Years 5,6, attended a discussion session with the scientific members of the Global Climate Youth Pact on the climate crisis.

Anti-bullying week

Throughout the week, pupils took part in Anti-bullying such as Odd Socks day that helped raise awareness of bullying.

Anti-bullying competition

Pupils took part in designing a colourful but informative anti-bullying poster. Two posters were chosen and displayed professionally in the school.

The Times Tables competition

It's held every half-term to encourage children to know the Times Tables by heart.

Good to be Green

It's a celebration of children's good behaviour where all the children wear green tops and certificates are given to children that didn't have any reported misbehaviour.

Events

German Lantern Festival

KS2 German pupils celebrated the German Lantern Festival at Goethe institute.

Carol Concert at the British embassy

EBIS KS2 choir celebrated Christmas by participating in the Carol Concert at the British embassy. The profit of the event was used for charity purposes organised by the British embassy
