

Key Stage 2 Department Autumn (2) Curriculum Overview Year 3-Autumn 2 Term – 2022/2023

English

English topics that were covered in Autumn 2 term are as follows:

- In weeks one and two of this unit students studied a playscript, A Tune of Lies by Lou Kuenzler. In the reading week, the focus is on developing children's enjoyment of plays, exploring key themes. In the writing week, the students were more familiar with the conventions of the script form, leading up to writing their own episodes.
- The Non-fiction week continues the link of Science topic with a focus on instruction texts about how to plant a seed.
- Where appropriate, the students were encouraged to develop an awareness of audience and purpose in relation to the fiction and non-fiction texts they are reading and writing.

Maths

Maths in Autumn 2 term ensured consolidating knowledge learnt in Autumn 1 to allow children to build on new mathematical skills. Maths topics that were covered in Autumn 2 term are as follows:

- Place value 2 and 3 digits numbers on a number line.
- Identify, represent and estimate numbers using different representations.
- Solve word problems using place value.
- Recap times-tables learned and derive division facts.

Science

Science topic that was covered in Autumn 2 term is as follows:

Rocks:

- Students were able to learn about how to differentiate rocks according to its texture, hardness, colour and permeability.
- They carried out some tests to compare rocks and learn about the three different types of rocks e.g. metamorphic, igneous and sedimentary rocks.
- They also recognised that soil comes from rock and learnt how fossil are formed.

SEAL

The children had the opportunity to identify types of bullying and recognise its symptoms. They were able to observe the effect of our actions have on others, they learnt to care about other people's feelings and to try to see things from their points of view. They gained knowledge about using problem solving skills to generate solutions and decide on a course of action.

World Studies

World Studies topic that was covered in Autumn 2 term is as follows:

Geography: Life in the village and the view from my window

Students examined scales used in maps and the symbols used to indicate the various features. They learnt that a city, town and village differ not only in size but also in the buildings and employment opportunities they have. They explored some of the effects of the growing human population on the environment and on plant and animal species.

Key Stage 2 Department Autumn (2) Curriculum Overview Year 3-Autumn 2 Term – 2022/2023
