

Key Stage 2 Department Spring (2) Curriculum Overview Year 3-Spring 2 Term – 2022/2023

English

English topics that were covered in Spring 2 term are as follows:

-Using a number of short tongue twisters, riddles, nonsense poems and a longer performance poem, this unit encourages children to explore the impact of word play and unusual imagery. It also gives them opportunity to learn poem and enjoy the experience of performing it in a dramatic way.

-The non-fiction week is linked to the scientific subject of the water-cycle and will develop the children's understanding of the language features of explanation texts in written and spoken forms.

-Where appropriate, the children will be encouraged to develop an awareness of audience and purpose in relation to the fiction and non-fiction texts they are reading and writing.

Maths

Maths in Spring 2 term ensured consolidating knowledge learnt in previous terms to allow children to build on new mathematical skills. Maths topics that were covered in Spring 1 term are as follows:

- numbers and place value
- Mental addition and subtraction.
- Problem solving, reasoning and algebra.
- Mental and written multiplication & division
- Statistics
- Geometry: properties of shapes and position and directions
- Understanding fractions
- Measurement

Science

Science topic that was covered in Spring 2 term is as follows:

-Movement and feeding:

- Students were able identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat
- Also they learnt that humans and some other animals have skeletons and muscles for support, protection and movement.
- They were able to gather, record, classify and present data in a variety of ways to help in answering questions

SEAL

•The children had the opportunity to recognise their worth as individuals, by identifying positive things about themselves and their achievements, seeing their mistakes, making amends and setting personal goals. They learnt that their actions affect themselves and others, to care about other people's feelings and to try to see things from their points of view. They were able to talk and write about their opinions, and explain their views, on issues that affect themselves and society.

World Studies

World Studies topic that was covered in Spring 2 term is as follows:

-Geography: Weather around the world and what's in the news

Students were able to compare some of the different countries that people visit on holidays and the reasons they choose to go those particular places. They learnt the scientific reason why different parts of the world have different climates. We were able to gain knowledge about Egypt as a country in Africa which has Cairo as its capital city. We explored changes in the weather, including extreme forms of weather, affect us.

Key Stage 2 Department Spring (2) Curriculum Overview Year 3-Spring 2 Term – 2022/2023
