

Key Stage 2 Department Autumn (2) Curriculum Overview Year 5-Autumn 2 Term – 2022/2023

English

English topics that were covered in Autumn 2 term are as follows:

- The main theme was a **modern re-telling of a myth**. The main story was '**Bling**'. The children focused how a dilemma can be a driving force of a narrative.
- They were able to create characters of different status and empathise with the main character's dilemma.
- They composed an ending for the story through a diary entry written in role as the main character.
- The non-fiction section of this unit linked to the fiction through exploring the difference between a first-person recount, such as a diary, and a newspaper report of the same event.
- Children composed their newspaper report based on a real-life rescue.

Maths

Maths topics that were covered in Autumn 2 term are as follows:

- Number and Place Value
- Mental Multiplication and Division
- Decimals and their place value
- Fractions
- Angles and circles
- Mental Addition and Subtraction
- Written Addition and Subtraction
- Problem solving and Reasoning
- Written Multiplication and Division

Science

Science topic that was covered in Autumn 2 term is as follows:

Forces

Children learnt about the different types of forces that they can find and experience in their daily life: gravity, air resistance, friction, water resistance, etc. They also learnt that force is basically push and pull of objects to change their size or shape, move or stop moving them. They understood how to use simple machines and their mechanisms such as levers, gears and pulleys.

SEAL

Students had the opportunity to understand what is bullying and how it feels; why people bully; how we can prevent and respond to it; and how they can use their social, emotional and behavioural skills to tackle crucial problem. They were able to understand the four aspects of learning in which knowledge, skills and understanding are developed are self-awareness, empathy, managing feelings and social skills.

World Studies

World Studies topic that was covered in Autumn 2 term is as follows:

Geography - Coasts and Coastal settlements

Pupils were able to identify characteristics of a range of the world's most significant coasts and their human and physical features. They also developed their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge.

Key Stage 2 Department Autumn (2) Curriculum Overview Year 5-Autumn 2 Term – 2022/2023

Global Perspective

In Autumn 2 term, students were able to evaluate sources commenting on their strength and limitations, express opinions about a given source, and collect information and generate questions about a certain issue.

Art

In Autumn 2 term, students worked on how to design a T-shirt, create a unique T-shirt with their own style and experiment with doodles, words, lettering and illustrations.
