## PASCH KS3 CINEMA EVENT

The PASCH Cinema event was on Friday 27th of October 2023 at Goethe Institute. The movie 'CLEO' is a 2019 German drama film directed by Erik Schmitt. The girl Cleo has lived a lonely, isolated life since her father died when Cleo was ten years old. When she meets the young adventurer Paul one day, who has found a map that should lead to a treasure, she joins him, and Cleo begins a journey through Berlin's history, back to the beginning of time.

Afterwards at the end of the movie our KS3 German students had a workshop with fun activities to discuss the content of the movie.

It was a very nice experience!

## LANTERN FESTIVAL AT THE GOETHE PALM GARDEN

Over 100 German students of different PASCH schools celebrated the German lantern festival in Dokki in the palm garden of Goethe Institute on Friday 17/11/23. EBIS were presented by 12 year 3 students accompanied by their German & Music teacher. Our students showed their wonderful lanterns and an amazing performance in singing the German lantern songs. Many thanks to Ms Dalia, head of Music and Ms Ayatullah, German teacher.

# SANKT MARTINS DAY AT EBIS FOR YEAR 3

The German department was celebrating with all year 3 German students the traditional German Sankt Martin Day at the EBIS theater. On Sunday 19th November 2023 the theater became a wonderful and shiny atmosphere during the lantern run with the beautiful lanterns. In Germany this traditional feast is annually celebrated in November. In the evening on St. Martin's Day there are lantern processions in towns and cities all over Germany. This looked very beautiful. The KS2 (y3/y4) choir of Ms Dalia, head of Music were performing on stage and year 6 German students were playing the traditional Sankt Martin story, where the roman soldier Martin is cutting his cloak to share it with a poor beggar. The year 3 students learned a lot about this German tradition and took at the end delicious cookies.

# GERMAN LANTERN ACTIVITY YEAR 2

The German year 2 students had an activity day about the German lantern festival. The students were doing handcrafts and creating their lanterns. They were practicing the German songs and parading into the classroom, carrying their beautiful lanterns while singing. They were playing some games too. At the end the cookies with the German flag were a nice surprise for them.
