## ZOOM WITH BERLIN

On Thursday 07/12/2023 a group of year 5 students met a class from the Berlin school "Grundschule am Insulaner". It was a fruitful conversation with a lot of questions and answers about food, school life, hobbies and sightseeing. The Berlin students introduce our students to the German children feast 'Nikolaus' and the tradition of the Advent calendar. While our students showed them the decoration and traditions of Ramadan and Christmas in Egypt. The students were asking a lot of questions to each other. It was an amazing experience and an cultural exchange.

# INTERNATIONAL BREAKFAST Y5

Learning with activities is fun. During the last sessions the German year 5 students learnt a lot about having breakfast in different countries. They studied a lot of new vocabularies and the cultural traditions.

Why not testing them? As an interesting conclusion to the topic, the year 5 German students were celebrating an international breakfast together. At the same time they were practicing the new vocabularies.

## EGYPTIAN COOKING CLASS

Egyptian cuisine is very special and rich. We encourage our KS2 students to present different kind of famous Egyptian dishes. We encouraged them to be ready to present it to international students for example in Germany.

The students prepared amazing presentations of famous Egyptian food, like 'Koushari', 'Molokheya', 'Fatta' and 'Foul'.

By using different kind of digital recourses they prepared wonderful presentations.
